

select 1 options:

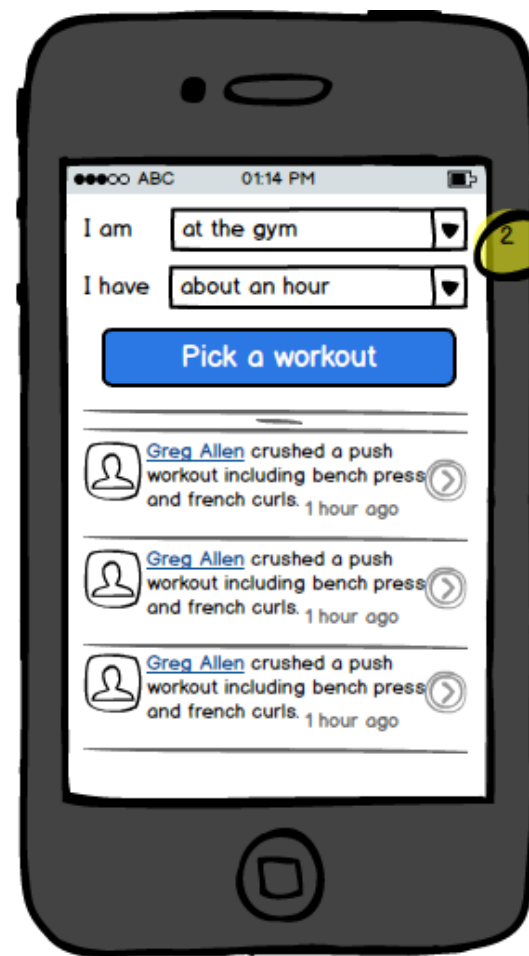

-
at the gym
at home
goin' for a run (or other cardio)
playin' a sport

select 2 options:

-
about an hour
about 30 mins
about 15 mins

get in some concept for
"resume workout" in here

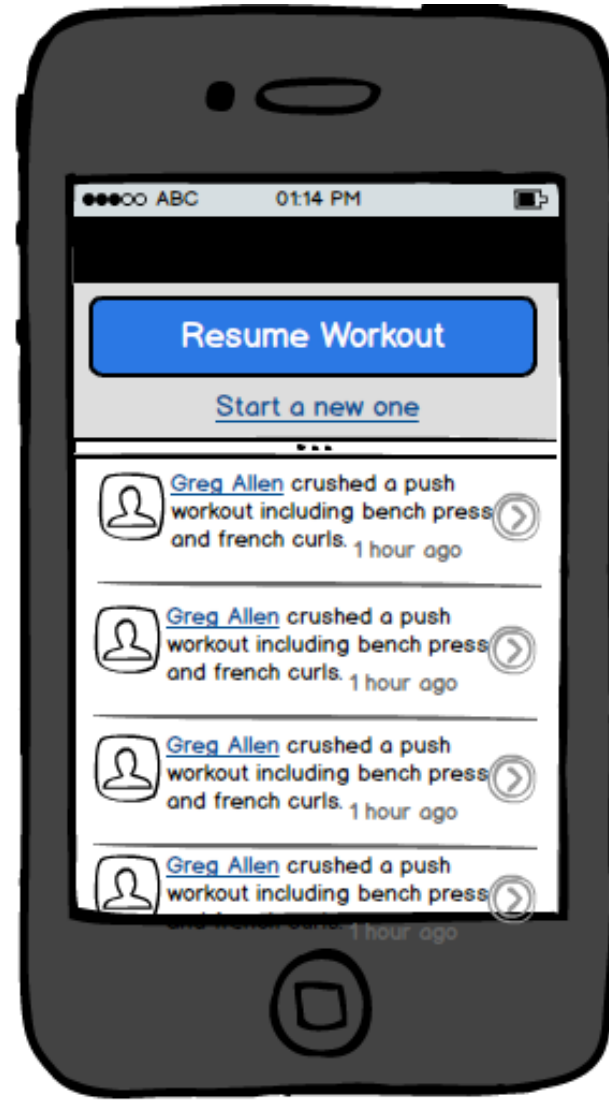

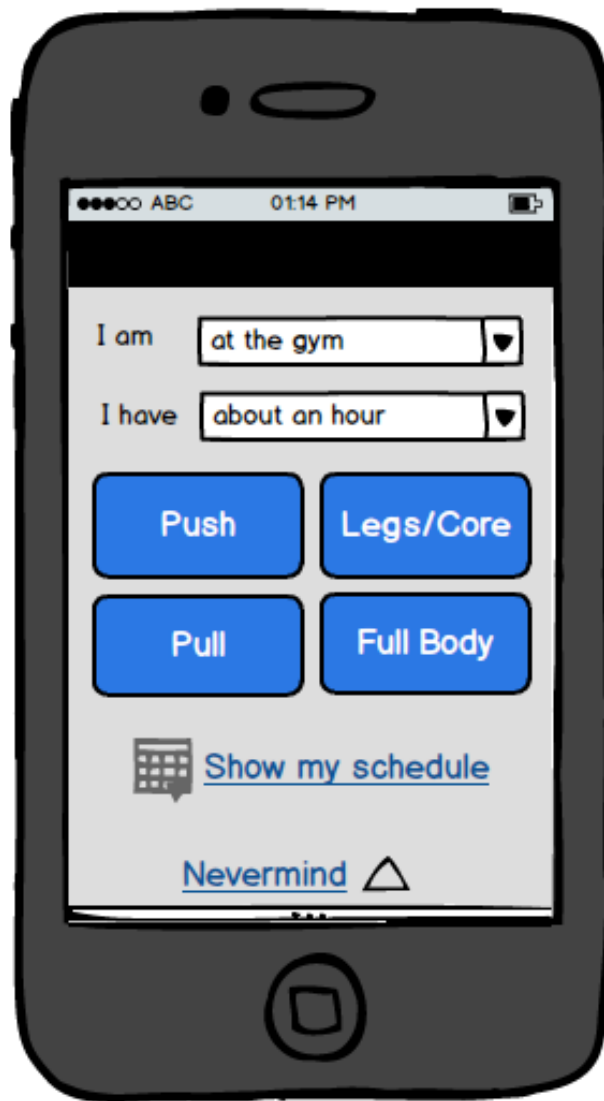

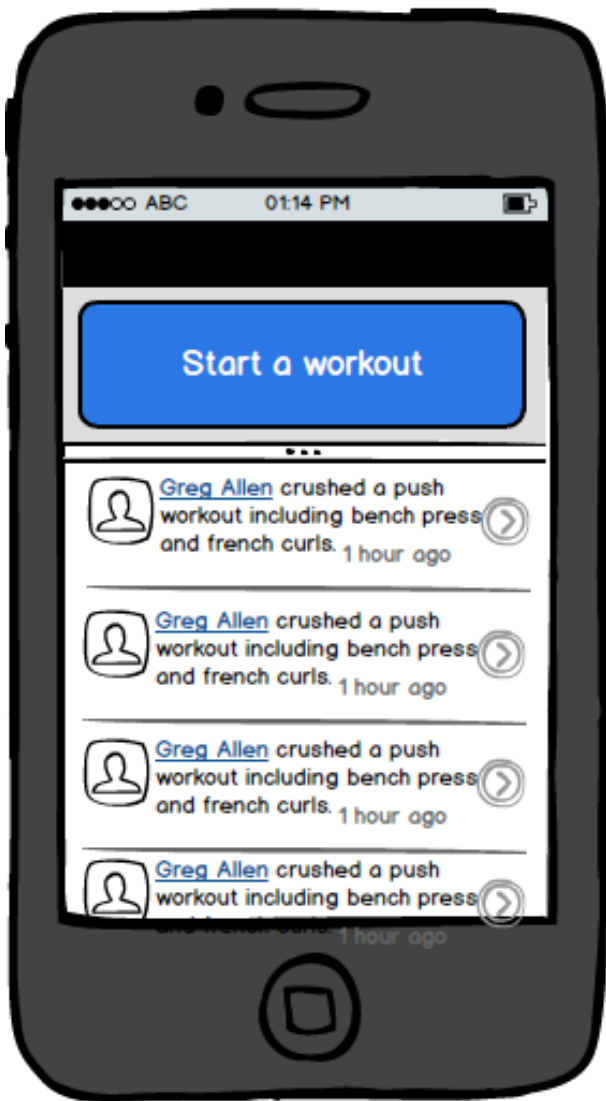

also need to get a way to
see schedules

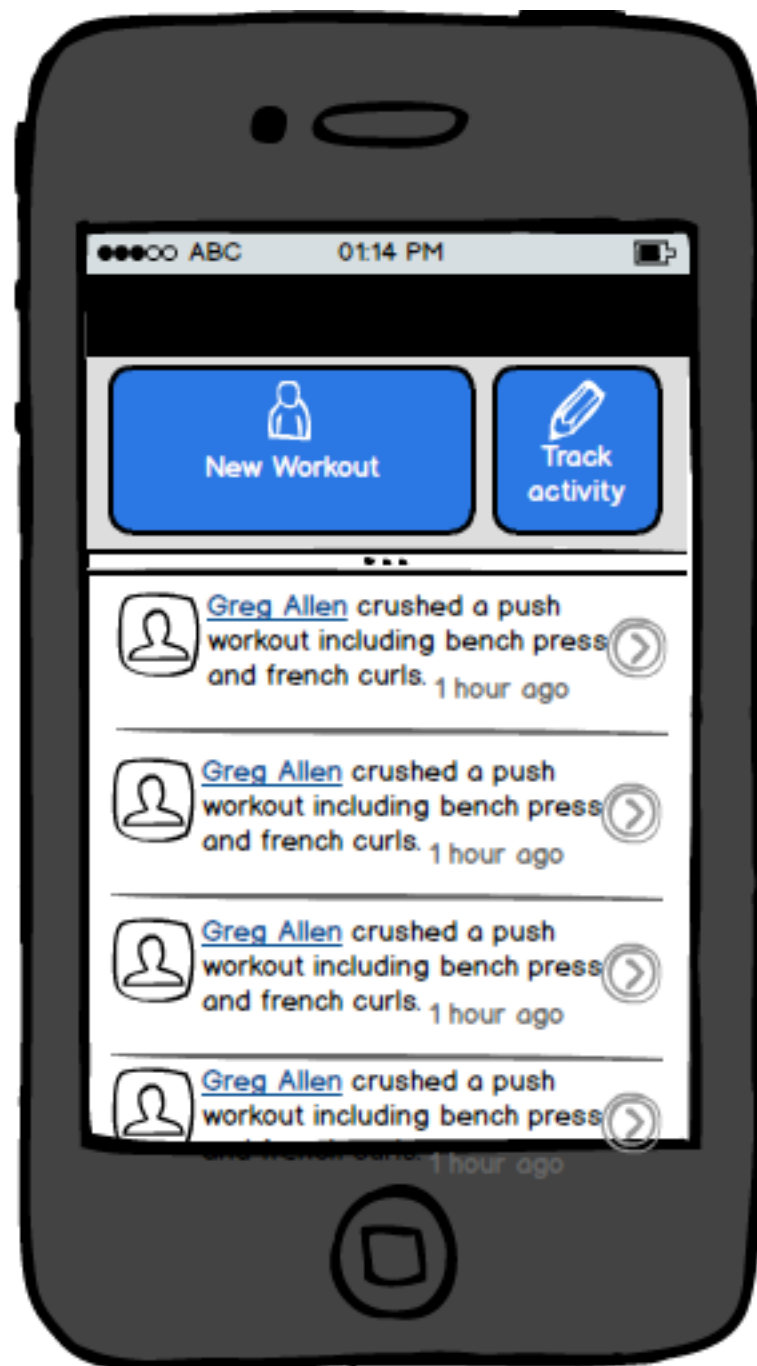

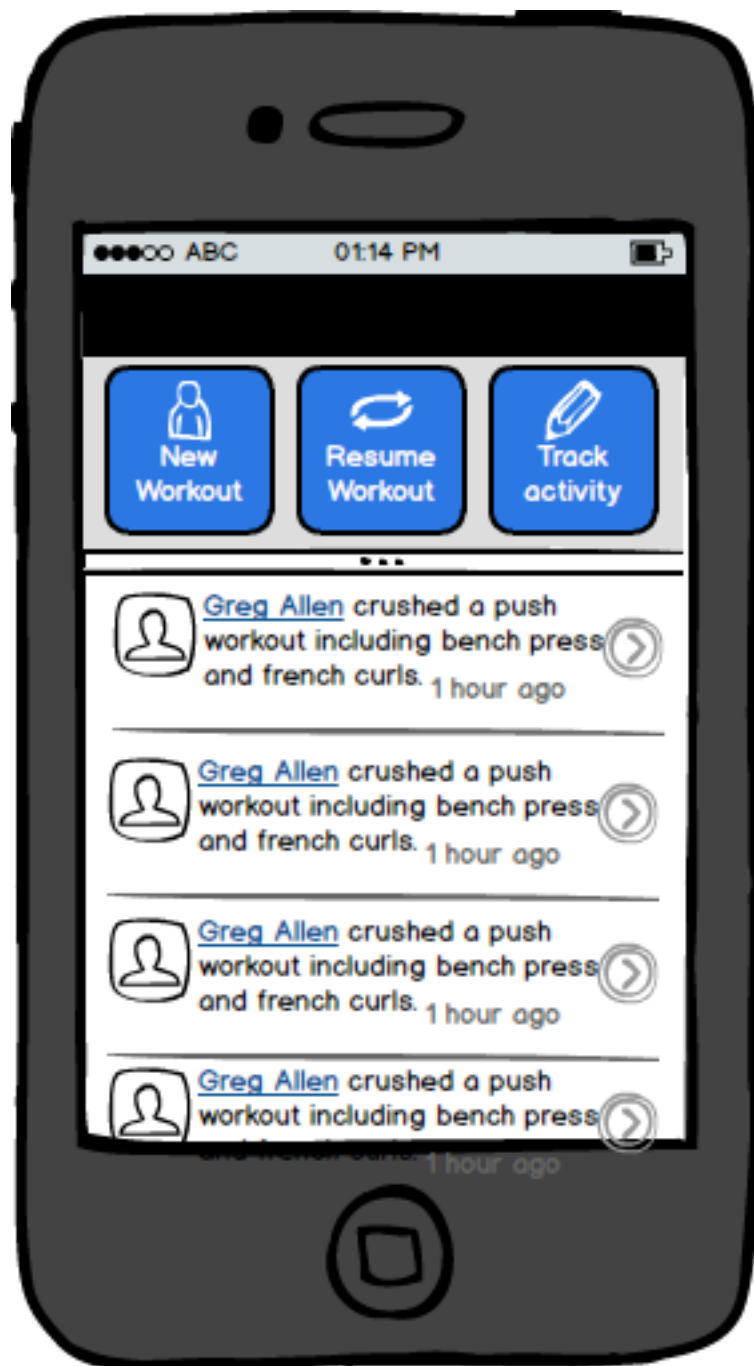

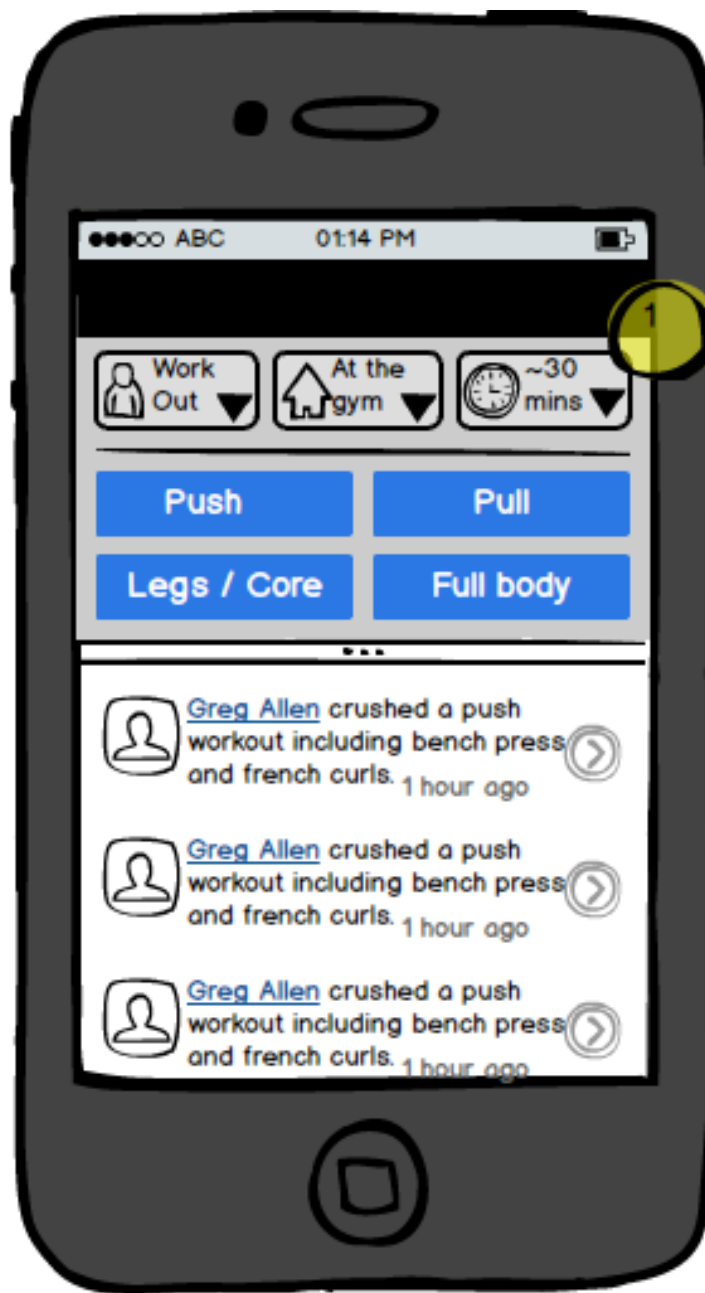

option 2.

-
hitting "pick a workout" would
slide down the window and
reveal workout types / schedule

still need some concept of
"resume a workout" for this one

1) if "at home" is selected we don't even show the time dropdown
